

BROWNING SUPPORTS YOUTH SHOOTING!

4-H members purchasing a new qualifying Browning shotgun will be eligible to receive up to \$200 in rebates from Browning.

HERE'S HOW IT WORKS:

- The parent or legal guardian of a registered 4-H member purchases a new, eligible shotgun from the list at right.
- The 4-H member and guardian fill out the Browning/4-H rebate redemption form, located on www.browning.com, along with all applicable paperwork.
- The 4-H member receives a rebate check and a letter from Browning, along with a cap, decal and pin.
- It's that easy!

- Browning Citori® - \$200
