The Family Outdoor Challenge is coming!

- Saturday & Sunday May 5 & 6, 2007 – Registration 7:00 – 7:30 a.m. Orientation 7:45 a.m. Start 8:00 a.m. - Open to all youth and their families.
- At the Flagler Lake State Wildlife Area – Flagler, Colorado

What is a Regional YHEC Event?

First, YHEC is short for Youth Hunter Education Challenge and is a program developed by the NRA exclusively for youth and their families who enjoy hunting and the outdoors. **YHEC is NOT a Colorado Hunter Safety Certification Course!** This YHEC challenge is being co-sponsored by the Cheyenne, Kit Carson, Kiowa & Yuma County 4-H Shooting Sports Programs.

YHEC provides youth and adults with a unique opportunity to test their abilities at a variety of hunting techniques. Through completing a series of events conducted under simulated hunting conditions, participants walk away with an appreciation of all methods of hunting and gain knowledge of all types of game. This training ensures the future of the American hunting tradition as a safe, viable, recreational activity the entire family can enjoy.

Though youth participants are scored and ranked in all YHEC events, the program's competitive edge is diminished as the real "challenge" focuses on personal improvement. If youth have completed a hunter safety program, their scores will count toward the State YHEC Challenge to be held this summer. All are invited to participate in the annual NRA International YHEC event, conducted in cooperation with the International Hunter

Education Association, the event rotates in location throughout the United States to ensure the greatest number of participants.

The Challenges consists of:

- Muzzleloading Challenge – Shooting muzzleloaders at targets from a variety of unknown distances.
- Light Rifle Challenge – Shooting .22 rifles at targets from a variety of unknown distances.
- Shotgun Challenge – Shooting at clay targets in a variety of ways ... singles, doubles and even running rabbits!
- Archery Challenge – Shooting at 3-D wildlife targets from a variety of hunter challenging positions!
- Hunter's Safety Trail Challenge – Do I shoot or not? These are some of the real life hunting scenarios that will challenge you!
- Orienteering Challenge – Can you find your way using a compass? Can you read a topographic map? If you hunt ... you should know how!

- Wildlife ID Challenge – What animal left that track? What did that feather come from? As a hunter, you need to be aware of game signs ... this will challenge your knowledge.
- Hunter Responsibility Exam – As hunters ... we are all obligated to take care of our environment. Test your knowledge of hunting and our responsibilities.

How many can participate?

Due to the fact that the various Challenge activities require time to complete, we are limiting participation to 50 contestants (individual youth or in family groups) per day.

How much does this cost?

The cost to youth and families is \$25.00 per shooter. This includes .22 ammunition, muzzleloader powder and ball (.50 cal.), shotgun ammunition and all targets.

What is the deadline to sign up and pay?

You will need to fill out the attached form and send it along with your check for the shooting fees to arrive at the Area Extension Office by no later than April 27, 2007. This is first come first served. You will need to make your checks payable to the ***Kit Carson County Extension Activity Fund***. Send your registration form and check to:
